

# Data protection declaration

## 1. Information about data protection

Sennheiser is highly committed to protecting and safeguarding my personal data. In this data protection declaration I have been informed of the purposes for which Sennheiser saves data and how data are used.

## 2. Contractual data

I know that my personal data, which were given by me voluntarily on conclusion of contracts and in other connections, are placed at the disposal of Sennheiser electronic GmbH & Co. KG ("Sennheiser"). These data include in particular, but not exclusively, my name, address, phone number, e-mail addresses (hereinafter "personal data").

Sennheiser has informed me that I may access my personal data in compliance with statutory provisions in order to update, correct, delete or block these and that I must contact the following person in order to do this:

Sonja Lehmborg, Sennheiser electronic GmbH & Co.KG, Am Labor 1, 30900 Wedemark, Germany. Fax: +49.5130.600 76-9579

## 3. Cookies

Sennheiser makes use of cookies on various pages in order to make it possible to use the Internet site. These are small text files which are filed on your computer. Most cookies used are deleted from your hard disc at the end of the browser session (these are called session cookies).

## 4. Processing and use of data, advertising

Sennheiser is authorised to collect, process, use, transfer, save and publish personal data all over the world ("Sennheiser business units"), provided the applicable law requires or allows this or if my consent has been obtained.

Sennheiser business units will use the data provided for the purposes of fulfilling and settling contracts concluded or to be concluded between myself and said business units. In so far as I have given my consent, my personal data is at the disposal of Sennheiser business units for further processing after the settlement of the contract.

## 5. Transfer of data to third parties

In so far as I have given my consent, Sennheiser business units may allow business partners of business units to access my personal data, provided this serves to optimise the further training programme of the Sennheiser Sound Academy. I know that the Sennheiser business units and their partners have their registered offices in different countries and that many of these countries have data protection laws which do not concord with the provisions and level of protection offered by the data protection laws in my home country.

## 6. Consent

I herewith declare my consent to the above by clicking on the box provided ("I have read the data protection provisions and consent to the processing and use of my personal data"). With this click I have accepted this agreement. I know that I cannot participate in events organised by the Sennheiser Sound Academy if I do not click the box.

## 7. Revocation of consent

Sennheiser has informed me that I can revoke or restrict the consent granted in connection with the use of my personal data at any time with future effect. For this purpose I must contact:

Sonja Lehmborg, Sennheiser electronic GmbH & Co.KG, Am Labor 1, 30900 Wedemark, Germany. Fax: +49.5130.600-76-9579
